PUBLIC WORKS DEPARTMENT (PWD)
Office of the Executive Engineer

Notice ID: PWD-DR-014

Department: Roads & Drainage

Work Type: Storm Water Drain Repair and Culvert Desilting

Location: Karve Nagar Main Road, Pune

Executing Agency: Pune Municipal Corporation (PMC)

Contractor Contact: 9876543210

Work Description:

This notice is issued to inform the public that storm water drains and roadside culverts along Karve Nagar Main Road are scheduled for repair and desilting work. The existing drainage system has been found partially blocked due to accumulation of debris, silt, plastic waste, and construction residue, which is causing frequent water logging during rainfall.

The work will include:

- Mechanical desilting of clogged drains
- Repair of damaged drain covers and side walls
- Replacement of broken culvert slabs
- Cleaning of surrounding road shoulders
- Restoration of road surface after completion

Temporary traffic diversions and partial road closures will be implemented during working hours. Citizens are requested to cooperate and avoid parking vehicles along the work zone. Emergency access for ambulances and fire services will be ensured at all times.

Start Date: 18-02-2026
