

**GOVERNMENT OF MAHARASHTRA**  
**PUBLIC WORKS DEPARTMENT (PWD)**  
Office of the Executive Engineer

**Notice ID:** PWD-RR-022

**Department:** Highways

**Work Type:** Pothole Repair and Road Shoulder Strengthening

**Location:** NH-48 Service Road, Wakad, Pune

**Executing Agency:** Maharashtra State Road Development Corporation (MSRDC)

**Contractor Contact:** 9012345678

**Work Description:**

Due to continuous heavy vehicular movement and recent rainfall, multiple potholes and surface cracks have developed on the NH-48 service road near Wakad. These damages pose a risk to public safety and may lead to accidents, traffic congestion, and further deterioration of the road structure.

The proposed work includes:

- Cutting and patching of damaged road sections
- Filling potholes with bituminous concrete mix
- Strengthening of road shoulders using compacted gravel and asphalt
- Repainting of lane markings and safety reflectors
- Installation of temporary caution boards and barricades during work

Traffic movement may be slowed in certain sections. Commuters are advised to follow traffic signs, reduce speed near the work zone, and use alternate routes wherever possible. Work will be carried out in phases to minimize inconvenience to the public.

**Start Date:** 20-02-2026

**Expected Completion:** 02-03-2026

**Issued By:**

Executive Engineer  
Public Works Department
